

# Intestinal Failure Workshop

The 12<sup>th</sup> Annual Salford ESPEN-endorsed Workshop on Acute and Chronic Intestinal Failure will be held in Salford (UK) on 22<sup>nd</sup> & 23<sup>rd</sup> March 2024

The in-person course will be held over 2 days at the Humphrey Booth lecture theatre, Salford Care Organisation, U.K. and is aimed at physicians, surgeons, dietitians, pharmacists, nurses and psychologists with an interest in Intestinal Failure.

Delegates will experience first-hand how a dedicated Intestinal Failure Unit functions and the roles of the multidisciplinary team.

Previous courses have been very well received, particularly the practical demonstrations of central venous catheter care and management, surgical-medical interaction, case-based discussions and patient-centred ward rounds.

Places are limited due to the interactive nature of the programme & preference is given to ESPEN members.

**COST: £120 GBP**

**For further information and application documentation please contact:**
